

RICHLAND PARISH ARES NET PREAMBLE

Calling the Richland Parish ARES Net. Calling the Richland Parish ARES Net. My call is _____, and my name is _____. I am located in Rayville, La. I will serve as Net Control for this session. This net will be called every Monday evening at 7:30 p.m. on frequency 145.490 or in case of repeater failure 145.350. All stations on frequency are welcomed and encouraged to take part in this net. This is a directed net.

At anytime, stations with emergency or priority traffic may use the double break, identify, and we will stand by and assist you with your immediate problem.

Do we have any formal traffic?

Do we have any announcements for the net?

Do we have any mobile stations that wish to check in?

QRP, Portable or Emergency power stations check in now?

Do we have any stations in Richland Parish?

Do we have any stations outside of Richland Parish?

Do we have any stations from Mississippi?

Do we have any stations from Arkansas?

Are there any late check ins from any location?

Does anyone have any questions for the net?

I would like to thank each of you for your participation in the net this evening. We invite you back next Monday evening at 7:30 p.m. on this frequency 145.490. I would like to thank Gene Dewitt for the use of his repeater for this net. Log net closing time as _____. Good Night (Give call) _____.
